

11/3/22 Meeting – 9:00-9:20 AM

Showing project board and what we have so far

Need scribe, one person sharing screen

Explain what we have done so far and where we plan to go in the next week

Stick to plan outlined in project guide!

Have everything done by week 3!! Need a week to test

Every week EACH PERSON has to COMMIT 3 TIMES

Each person must make branch for themselves – DON'T COMMIT TO MAIN ANYMORE

Go thru your own branch and merge to main once code is approved

Need some sort of deliverable completed each week

Need release notes each week and update on README, as well as more documentation on any new code, update meeting minutes

SCORE EACH WEEK FOR ATTENDANCE
